RESEARCH EXPERIENCE

President Yunposun memorial foundation / Yunposun institute for democracy

Research Associate

Seoul, South Korea

Aug 2025 – Present

- Conducted research on democratic thought, post-authoritarian institutions, and electoral accountability
- Organized biannual academic conferences and translate research findings into public-facing outputs (newsletter, institutional media)

Institute for Future Strategy, Seoul National University **Seoul, South Korea**
Research Associate, Cluster of Democracy **Apr 2022 – Jan 2025**

- Participated in the design and production of large-scale democracy perception survey data
- Contributed to questionnaire development, data validation, and preliminary statistical analysis

Korean Women’s Development Institute **Seoul, South Korea**
Research Associate, Budget Review Team **Jan 2024 – Aug 2024**

- Reviewed and validated national budget documents for policy evaluation
- Produced Korean-language policy summaries of international research reports

International Political Science Association (IPSA World Congress – Seoul 2025) **Seoul, South Korea**
Program Assistant **July 2025**

- Supported coordination of panels and speakers at an international political science conference
- Synthesized keynote and panel discussions into internal analytical reports

TEACHING & QUANTITATIVE EXPERIENCE

School of Asia Pacific Studies, University of Central Lancashire **Preston, United Kingdom**
Korean Language Teaching Intern **Sep 2017 – Dec 2017**

- Delivered undergraduate-level Korean language instruction entirely in English.
- Designed lesson materials and assessments for non-native learners.

Private Mathematics Tutor **Seoul, South Korea**
Tutor **2018 – Dec 2022**

- Provided structured instruction in secondary-level mathematics, emphasizing logical reasoning and problem decomposition.

FIELD & ELECTORAL EXPERIENCE

General Election Campaigns **South Korea**
Field Research and Electoral Analysis **Feb–Apr 2016; Feb–Apr 2020; Feb–Apr 2024**

- Conducted voter outreach and interviews across urban and rural districts, generating field-based insights into issue salience and voter responsiveness.
- Observed systematic variation in voter decision-making across electoral contexts, directly informing hypotheses on issue salience, affective framing, and contextual effects.

AWARDS AND FELLOWSHIPS

- *Academic Excellence Scholarship, Seoul National University*
- *Social Science Research Personnel Development Program (Thesis Funding)*
- *Multiple Merit-Based Scholarships, Sungkyunkwan University*

ACTIVITIES

- *President*, Graduate Student Council, Dept. of Political Science, SNU (2021)
